The Visionaries

MOGSSS is setting new standard in the education of children in the 21st century.

It caters to the education of many students from Montessori to class VIII. Nearly two-third of its students are children in the pre-primary & primary classes from age 3 to 5.

MOGSSS also fosters self esteem & respect for others & creates a stimulating & caring atmosphere & an appreciation of the world we live in & our cultural heritage.

The Great Inspirer

LATE SMT. MAA OMWATI GOEL & LATE SHRI YADRAM GOEL

MOGSSS is guided by its Chairman Shri J.B. Goel who is inspired by the vision of late Smt. Maa Omwati Goel & Late Shri Yadram Goel. The genesis of "Maa Omwati Education Trust" dated back to 5th June 2003. When he started his school in the under privileged area of Hassanpur, the aim of opening the education institutions was to make sustained efforts to dispel ignorance in village talent through learning & knowledge.

Their motto "SHIKSHA, SURAKSHA, SANSKAR" is the institute's greeting from the beginning. The institute has also extended its expertise beyond the realm of the education trust by taking up other educational sectors in Hassanpur. To sum up MOGSSS is "to open doors & open minds & to prepare ground for the future of the nation.

From the Desk of Founder Trustee

“ Children are like butterflies in the wind. Some can fly higher than the others, but each one flies the best it can. Why compare one against the other? Each one is special. Each one is different. Each one is beautiful in his own way. ”

When I was a student, I had to travel 100 kms from the village to the city to seek higher education. The time spent in travelling could very well be utilized in other curricular activities. More over for a female child, managing higher education was a colossal task. I realized that in spite of having intelligence, talent and potential to be successful, the talent cannot be nurtured properly so as to turn their dreams into reality, due to lack of resources.

Keeping in view these impediments, this school is established with the aim of brining resources at the door-step of village. The school endeavors to provide excellent educational facilities to groom the village youth, inculcating values, to spawn excellent human beings and successful professionals who will be committed and dedicated to their work.

Rohtas Goel

CMD, Omaxe Limited

Message from The Chairman of the Trust

**“ Learn from yesterday, live for today, hope for tomorrow.
The important thing is not to stop questioning. ”**

—Albert Einstein

We know that young children's disposition and attitude to learning are acquired early and it's importance to ensure that this foundation is positive which is why primary education or education is important. We at MOGSSS also follow the same concept so that our children reach their full potential as independent persons with global perspective for bettering the earth and its community. Learning irrespective of the source, is learning, MOGSSS would derive from the world over, to educate and inspire children towards achievement. Every country, every place, every religion and every action and every reaction teaches us something.

“MAA OMWATI EDUCATION CITY” is always recognized as one of the leading institutions in the field of academics, co-curricular activities and sports. In the end I whole heartedly appreciate all the concerned people who have worked diligently and tirelessly for keeping the flag of MOGSSS flying high in a majestic way. Let us be determined to make MOGSSS an unsurpassed institution in the supervision of dedicated team of educationist to uplift the standard of education in the country.

J.B. Goel
Chairman
Maa Omwati Education Trust

Message from The Vice Chairman of the Trust

“ Education is the key to unlock the golden door of freedom. ”

— George Washington Carver

The vision of the trust is to develop a centre of excellence in diverse fields of education for nurturing professional who are determined to achieve excellence all around the globe. We march forward with a mission to develop the institution with a highly developed educational infrastructure, excellent faculty and to impart education to the students with all facilities to bring out the best of their talent. We try to cover up all the spheres of quality education and to instill the sense of confidence among the students to face the outside world. We impart value based quality education and prepare our students for achieving academic excellence. Our ultimate goal is to develop a professional mind and building a self confident image, creating innovativeness and high quality of leadership.

Quality Policy

- Exercise greater control on admission process to our professional courses.
- Ensure smooth transfer of knowledge by incorporating innovative pedagogy in delivery of accredited curriculum through intellectually enriched faculty.
- Turn out highly rated professional efficacious for the industry and society alike.
- Monitor & continually improve the internal process to exceed stakeholders' expectations.

Sunil Goel
Vice Chairman
Maa Omwati Education Trust
& JMD - Omaxe Limited

Asst. Administrator Speaks

Children must be taught how to think, not what to think.

—Margaret Mead

This is the time to look forward for the new academic year. Maintaining the positivity, enthusiasm and dedication towards the responsibility bestowed, I take a stride with a vision, "Imparting the best education is the noblest service to the mankind:

The team of hard core educationists has been appointed after a long search. Their patience, innovative and creative teaching methods with their skills to treat every child in a special way, would be acknowledged as the uniqueness of MAA OMWATI GLOBAL SR.SEC. SCHOOL We aim to provide a learning atmosphere for the overall development of the child. Our objective is to produce knowledgeable and intellectual youth.

I, as the Asst. Administrator of the school invite the parents to come and experience the world with a difference in teaching methodologies and welcome you to be the part of MAA OMWATI GLOBAL SR.SEC. SCHOOL. 'Let's join hands to make our little hands strong and successful.

Regards & Warm Wishes

Ms. Geeta Talan.
Asst. Administrator

Administrator Speaks

Maa Omwati Education City, in tune with the vision to empower the students through education is determined to develop its students as true citizens embodying impeccable integrity – both professional & personal and unparalleled social commitment.

The institute is dedicated to provide quality education to students through inter disciplinary understanding, staff-of-art learning & the rise of emerging knowledge in all fields.

Our pledge to develop world class human resources capable of mastering the global challenges of future technology & management is unswerving. The institute has the rich legacy of traditional education combined with imparting education in progressive disciplines like Management, Social work, Economics, Commerce, Computer Science etc with help of modern teaching and technologies coupled with broadband Connectivity and state of the art laboratories.

I feel proud and privileged to be a part of this modern institute, where there is an exchange between tradition and modernity, past & present and individual & society to translate the words in to reality.

Dr. Monika Goel
Administrator

Principal's Message

Man is the master of his destiny.

–Swami Vivekananda

Dear Students,

Every body strives to get happiness. Everybody wants to remain happy. But it is not something to be plucked off a tree. it is not something to be bought from the market. It is not something to be ordered.

Some people associate happiness with fun loving activities of course, we can get the happiness with fun loving activities. But if you want to remain happy permanently, then learn this, "the path of happiness is not smooth and easy. It is a tough Path". It is a Path of 'Karma'. Our diligent and constant efforts give us happiness. Things which give happiness involve pains. Work is the key of happiness. If we have learnt the art of 'Hard work', Then we will be the master of our lives. So the road of happiness is littered with pains. If we transverse this road we will be completely in control of our lives.

We believe in the motto, "Work is worship and work is art," Our actions & our work will become the declaration of our happiness & our efforts will make our life worth living.

With Best Wishes,

Dr. Neelam Chauhan
Principal

To build creative disciplined and
Dynamic Leaders of Tomorrow

ARY SCHOOL

MOGSSS *Advantage*

CREATES a climate of encouragement to facilitate all round development of every child.

CULTIVATE qualities essential for a spiritually satisfying career & profession.

ENDEAVORS to make every child the light of the world.

FOSTERS self discipline, self esteem & self reliance in the child.

HELPS Shape a global mind set to become a world citizen.

TRAINS the child in high moral & ethical values & instills godly aim in every child.

Our Aim

MOGSSS is run by a registered, educational, non-denominational, and non-Commercial, not for profit society consisting of committed educationists & social workers.

It aims to give each pupil an education which will help them to develop their own personal gifts, both spiritual & social & achieve the highest academic standards of which they are capable.

We hope each pupil will receive the help & guidance that will encourage them confidently to make their contribution to life as a responsible & self disciplined person.

“Education is the most powerful weapon which you can use to change the world.”

The Learning Environment

We provide a broad & balanced curriculum that meets the needs of all students & goes beyond the demands set by the national curriculum. The goal of all teachers is to provide effective instruction that leads to students learning. However, the goal is greatly depend upon having a safe & supporting environment, in which teacher can teach & students can learn. Here in MOGSSS the learning environment include effective curriculum planning, systematic assessment, effective strategies for deliverling instruction & for classroom procedures.

About Us

Serve Humanity

We should not stick to our concerns of our country alone, but we should also fix our thoughts up on those goals which will rehabilitate the fortunes of mankind.

Universal understanding

It means developing a global vision so that each student will become a true citizen.

Moral Values

These values are essential for every student, as they are the central to a life of fulfillment.

Excellence

Excellence is about contributing our best to the world while evoking others to do some. We at MOGSSS honoring the students as well as teachers for their excellent work as we more forward towards our vision.

We Teach by Montessori Method

MOGSSS tiny tots is a whole new zone gently preparing children for full time schooling in a happy, stimulating & nurturing environment. We believe in the theory of imparting education with emphasis "learning through experience."

Children are encouraged to: - Listen, talk & singing, dancing & acting that help them to remove inhibitions. Games & puzzles are used to make children think & interact with peers using socially appropriate manners & language.

SETTLING ZONE:- Settling zone is specially designed room for new comers where children can play & enjoy till they become familiar with the surrounding & school environment.

CREATIVE ZONE:- This is where they enjoy with colors & crayons & paint their imaginations on papers.

HOP TOSS BAY:- Hop toss bay helps the pre schools in building their motor skill with activities. Throwing & catching balls will not only keep them entertained but it sharpens their hand to eye co-ordinations & Makes body healthy & flexible. Kids just love climbing, jumping & tossing. On this process they overcome fear of heights & that of falling.

TOY ZONE:- Toy zone is the most friendly, lonely, & beautiful room for children. The whole set up of house give them opportunity to do role play with their Peer group & learn social interaction.

SAND PIT:- At Sand Pit children love to play with sand & they build their dream homes in the soil as soil is the mother of all living things.

THEATRE ROOM:- This room is equipped with latest techniques, dance floor & mini stage to make children confident while performing on the stage even at this tender age. They also watch movie show occasionally.

SMART ROOM:- smart room make children friendly & to enhance their learning process, this room is designed with latest C.D's & software library.

Latest tools and devices for teaching through playway method to the tiny tots
The school provides all the latest tool and devices of playway method for teaching pre-Primary classes. Learning by using these tools and devices, the tiny tots are totally lost in the world of inward happiness.

Library

Library

is the heart of any school.

The objective of the library is to provide an environment which is conducive to high quality teaching and learning. We realize this and offer excellent library facilities for students and faculty. There are three libraries, having large number of books, periodicals as well as several national and international magazines catering to the needs of education. MOGSSS is a member of DELNET providing access to databases of books, current periodicals, articles, etc. Titles in the library are updated on regular basis, with a system in place for tracking new titles and the sources for procuring them.

Faculty members suggest new titles to the library. The school's library is spacious and designed with the objective of enabling students to spend several hours continuously. It is well furnished, and has a dedicated and supportive staff to ensure that it is maintained efficiently. The process of issuing and returning books has been made simple and convenient.

Building Partnership

"It takes a whole village to raise a child". Yes, truly said as values cannot be taught from a single platform & dimensions but it needs a collaborative effort on the part of parent, family as a whole as well the school. The school recognizes parents as co-educator & seeks to involve them in the school based initiatives. Communication between the school & home is the key to a good relationship. MOGSSS provides a variety of avenues for communication and interaction between school & home.

These Includes: • Parent Teacher Meeting • Parent Orientation Programme

MOGSSS Provides

IN HOUSE COACHING—Our teaching staff is experienced and well qualified & is selected for its abilities to effectively train them on their way to professional colleges. Our teachers motivate their students to work to the best of their ability. Our on-going programme of professional development ensures that our teachers are up-to-date with the latest methodologies & developments in the education. Many of our teachers are involved in project & development work that is the forefront of e-learning & other contemporary areas of education.

School has well developed programme to coach students in many competitive examinations & Olympiads to explore their abilities beyond classrooms & be in-step with the competitive world.

SMART CLASS—The school has planned to introduce smart class right from the first year. This initiative will supplement & complement classroom instruction through application of modern technology. The concept of smart class has drawn the interest of the students in hi-tech generation & Maa Omwati Global Sr. Secondary School is best in all.

DISCOVERY & CREATIVE ROOM—The discovery room gives an early opportunity to the young child to 'stretch out of the printed page' & experiment with that knowledge using various kinds of educational apparatus & techniques. Using this & the teacher observations, individual goals, a portfolio for each child will be prepared.

SECURE CAMPUS—For a parent nothing is more important than the security of his child. Whether it is a school or any other educational institution, it is imperative that the best security system is in place to ensure the safety of the student & give parents the peace of mind with the feeling that his child is not just getting the quality education that he seeks for him but is doing so in a safe environment. There will be public address system, CCTV surveillance with simultaneous monitoring room, 100% R.O. water facility & full power back-up along with Trained security guards to make everyone feel safe & well protected.

Focus on Language Labs

Group discussions take place regularly in all the classes. Normally 5-6 students are taken as a group. Students learn to disagree politely. If required they put forward their point of view without specially saying "I disagree"

Hands on Labs

By means of these labs children gain tremendous confidence in the subject & from the feeling "I don't like maths" they start saying "I love maths". They have to access a range of material by their hands & often come up with their own creative ideas, associated by training & resources from MOGSSS innovative management.

Scientific Labs

Instead of teaching theoretically, practical knowledge also plays a perfect role in understanding the concepts of science & we at MOGSSS believes the same by providing the students the best of it in our science labs.

Our Pride

Jyoti, Class-V

A meritorious student from Maa Omwati Global Sr. Sec. School Hassanpur, who stood Best in Academics out of top 20 students at District Level.

Our School "Maa Omwati Global Sr. Sec. School", Hassanpur is selected for the BEST School Award by HARYANA PRESS CLUB.

MOGSSS

Creating Personalities

PERSONALITY DEVELOPMENT

- Objectives
- Developing self-esteem & confidence of each child
- Developing life skills
- Equipping with inter personal & intra personal skills

ACADEMICS

- Imparting a concrete foundation in the core subjects
- Personalized learning
- Assessment based on competition with oneself, not with others
- Greater use of peer learning & corrections
- Hands on/ interactive learning / multiple intelligence
- Constructivism

ENVIRONMENTS

- A motivating learning environment
- A value based education
- Wide exposure
- Support & challenge

The first five years have so much to do with how to next 80 turn out.
